- Rules and regulations regarding Fitness Center use are posted on bulletin boards and throughout the facility. Be sure to familiarize yourself with this information.
- Antiseptic wipes are provided in the dispenser next to the water cooler. Please wipe off each piece of equipment following use. It is also recommended that you bring a small towel when working out to prevent perspiration from dripping onto the equipment or floor.
- Water is provided for your convenience while you are using the facility. It is not intended as a general water source for filling water bottles to take out of the facility. Please use fountains in the buildings around campus for that purpose.
- There is a telephone in the facility for use in case of an emergency.
- In the event of a minor first aid emergency, a First Aid Kit has been placed in the cabinet under the sign-up book. Please note any items used in the comments section of the sign-in book so we can replenish these items. Also, an AED kit is located in the Fitness Center.
- To prevent injury, equipment must be used only in the manner for which it was designed. If you have questions about operation, read the placards on the equipment. Ensure that any moving parts (pins and pegs) are securely in place before use.
