

Items Accepted for Recycling

Items collected are sent to Terracycle, a company that recycles and upcycles a variety of items, including many hard to recycle and previously unrecyclable items. See below for a complete list. ***Most recent changes are listed in red- last update March 2018**

Most items collected also earn money for charity, so there are multiple benefits to your recycling!

Locations of Recycling Bins on Campus

- Flynt Building- Room 111
- Stuckey- lobby of auditorium just inside the sliding doors
- Cowart- (hallway) through the main entrance, door to the right
- Urban Ag- to the right just inside the front door
- Student Learning Center- just outside the front entrance on the side opposite the trash and regular recycling bins (moved from Facilities Management)
- Redding- outside the lounge area near the drink and snack machines (entrance on Woodruff, straight back on the right)
- Melton- break room (entrance from side parking lot, all the way down the hall, left and on the left before the double doors)

*Items in **bold** are brand specific- only that brand is accepted for recycling. Any brand is accepted for all others.

*Please make sure items are empty and dispose of any remaining food or beverage before recycling
